MEMORANDUM FOR RECORD

SUBJECT: Visit of Commander McDonell, OSD

1. On 20 November 1964 Lt Col Trevathan, PSD, OACSI telephoned. He said that Commander John C. McDonell, OSD (Manpower), is working on a DOD project concerned with the investigation of the entire handling of personnel security investigations. Commander M's objective is to establish a central index for all biographic file holdings. He had asked ACSI to respond to an informal questionnaire with regard to its biographic holdings, indexing, etc.

2. Lt Col Trevathan said that OACSI could not make an informal response to Commander M's questionnaire. However, he thought that he might answer the requirement by having Commander M briefed at USACRF. (We both thought that this would better serve Commander M's purpose anyway.)

3. Commander M will come to USACRF o/a 1000 hours, Tuesday, 24 November 1964. CO USACRF will brief in the USACRF Conference Room.
